

7th Certificate Course in Andrology
InterContinental Hotel, Pattaya

Wednesday April 1, 2020

Time	Title	Speaker
08:30 – 09:00	Men's Health – Why it Matters	Dr.Colin Teo
09:00 – 09:30	Identifying the men with Testosterone Deficiency Syndrome	Prof.Bannakit Lojanapiwat
09:30 – 10:00	Giving Testosterone Replacement Therapy Safely Expert Opinion - Case study on Testosterone Replacement Therapy	Dr.Colin Teo
10:00 – 10:30	<i>Coffee Break</i>	
10:30 – 11:00	Oral medications for Erectile Dysfunction Phosphodiesterase type V inhibitors and more	Prof.Zulkilfri
11:00 – 11:30	Complementary and traditional medication for Erectile Dysfunction	Dr.Ng Kok Kit
11:30 – 12:00	When Medication Fails - Intracavernosal injection and Vacuum Erection Device	Dr.Niti Navanimitkul
12:00 – 13:00	<u>Lunch Time Lecture</u> Digitalization of Mens' Health Services for Asia Pacific Region	Dr.Wei Siang Yu
13:00 – 13:30	Shocking into Action Extracorporeal Shock Wave Therapy	Prof.Peter Lim
13:30 – 14:00	Penile implant – Tips, Techniques and Avoiding Complications	Dr.Premsant Sangkum
14:00 – 14:30	Difficult Penile Implant Surgery <i>Expert Opinion - Case study on penile implant surgery</i>	Prof.Peter Lim
14:30 – 15:00	Penile Augmentation – Bulking Agents and Surgery	Prof.Peter Lim
15:00 – 15:30	<i>Coffee Break</i>	
15:30 – 16:00	Stop the Leak! Glue Ablation and Other Vascular Surgery for Venogenic Erectile Dysfunction	Dr.Sriram Nayaranam
16:00 – 16:30	Peyronie's Disease	Dr.Joe Lee

Thursday April 2,2020

Time	Title	Speaker
08:30 – 09:00	Premature Ejaculation – Diagnosis and Non-medical Therapy	Dr.Ng Kok Kit
09:00 – 09:30	Premature Ejaculation – Medical Therapy	Prof.Zulkilfri
09:30 – 10:00	Circumcision – to Cut or Not to Cut	Dr.Ng Kok Kit
10:00 – 10:30	<i>Coffee Break</i>	
10:30 – 11:00	Male Subfertility – Assessment (Urological aspect)	Dr.Supanut Lumbiganon
11:00 – 11:30	Empirical Therapy for Subfertility Medications for OAT (oligoasthenoteratozoospermia)	Dr.Joe Lee
11:30 – 12:00	Azoospermia – Is there no hope when there’s no sperm? Sperm Extraction Techniques, Micro surgical Andrology and Artificial Reproductive Techniques <i>Expert Opinion - Case study on subfertility</i>	Dr.Joe Lee
12:00 – 13:00	Lunch	
13:00 – 13:30	Vasectomy Reversal Microsurgical vasovasostomy and vaso-epididymostomy	Dr.Ronny Tan
13:30 – 14:00	Evolution of Varicocele Treatment	Dr.Varathorn Lumyai
14:00 – 14:30	Gender Reassignment – Male to Female	Dr.Ngamcherd Sitphahul
14:30 – 15:00	Gender Reassignment – Female to Male	Dr.Kidakorn Kiranantawat

New era of Minimal invasive surgery in urolithiasis

Surgical Skill Training Center 2nd floor of EMS Building, Rajavithi hospital

April 2,2020

08.30-09.00	Registration	
09:00-09:10	Opening ceremony	
09:10-09:40	Introduction in supermini PCNL (SMP)	Professor Zeng guohua, MD
09:40-10:10	Ultrasound-guided Access and Dilation for Percutaneous Nephrolithotomy: A Step-by-Step Approach	Professor Zeng guohua, MD
10:10-10:40	RIRS	Sermsin Sindhubodee, MD
11:00-15.30	Live Surgery 1. Super mini PCNL 2. RIRS	Dr.Zeng guohua, MD Dr.Zeng guohua, MD

Joint Venture between ThCS and INUS

Sirindhorn Building, Floor 1, King Chulalongkorn Memorial Hospital

April 2,2020

09:30-10:00	Registration	
10:00-10:30	How to do a valid (video-) urodynamic investigation	Dr.H Madersbacher
10:40-11:10	Indications for urodynamics in neuro-urology	Dr.JJ Wyndaele
11:20-11:50	Indications for urodynamics in urogynecology	Dr.H Madersbacher
12:00-12:30	Pitfalls in Urodynamic	Dr.H Madersbacher
12:40-13:00	INUS Educational Video Series of INUS entitled: “Neuro-Urology in Daily Practice – Part 3: Urodynamics”	Dr.H Madersbacher
13:00-14:00	Lunch	
14:00-15:00	Case discussions (presented by Thai urologist)	Dr.JJ Wyndaele

“1st Thailand - Asian Urological Surgery Training & Education Group”

Thai-Training and Education Center

April 2,2020

09:00-09:10 Opening

09:10-09:30 Principle of Laparoscopic Surgery

1. Physiology and complications related to the pneumoperitoneum
2. Laparoscopic and robotic surgery: approaches to access, port configuration and docking

09:30-09:50 Overview of Laparoscopic partial and radical nephrectomy (Trans/Retro)

09:50-10:10 Overview of laparoscopic/robotic pyeloplasty

10:10-10:30 Laparoscopy Lives: When and Why to go Straight-lap

10:30-10:45 Wet lab – Pigs anatomy & hands-on briefing

10:45-11:15 Coffee Break

11:15-13:30 Live pigs procedures:

1. Laparoscopic Nephrectomy
2. Laparoscopic Patial nephrectomy
3. Laparoscopic Uretero-ureterotomy / pyeloplasty

13:30-14:30 Lunch

14:30-17:00 Live pigs Procedures

AUA Course

Dusit 11 and Dusit 12-13 Room, Dusit Hotel, Pattaya

April 2,2020

07:45-08:00	Opening Addresses	
		John Denstedt , Secretary AUA, Professor of Urology, Western University, London, Canada
		Ekkarin Chotikawanich , Wachira Kochakarn , President of Thai Urological Association
08:00-09:30	Session 1: Medical Stone Management	
	08:00-08:20	Investigation of Stone Patients: A Practical Approach Dr.Chinnakhet Ketsuwan
	08:20-08:40	Medical Management of Stone Patients Dr.Chinnakhet Ketsuwan
	08:40-09:00	Imaging for Stones and Radiation Safety Dr.Manint Usawachintachit
	09:00-09:30	AUA Guidelines – Surgical Management of Stones Dr.John Denstedt
09:30-10:00	Break and Visit Exhibits	
10:00-12:00	Session 2: Ureteroscopy	
	10:00-10:30	Equipment and Devices for Ureteroscopy: Wires, Baskets, Sheaths, Lithotripsy Dr.Ekkarin Chotikawanich
	10:30-10:50	Flexible Ureteroscopes: Disposable vs Reuseable - Pros and Cons Dr.Chinnakhet Ketsuwan
	10:50- 11:20	Technique of Flexible Ureteroscopy: Tips and Tricks Dr.Teerayut Tangpaitoon
	11:20-11:50	Complications of Ureteroscopy: Avoidance and Management Dr.John Denstedt
	11:50-12:10	Post-operative Care: Stents and Imaging Dr.Manint Usawachintachit
12:10- 13:00	Lunch and Visit Exhibits	
13:00- 15:00	Session 3	
	13:00-13:20	Management of Stones in Pregnancy Dr.Teerayut Tangpaitoon

	13:20-13:40	Surgical Management of Pediatric Urolithiasis Dr.Manint Usawachintachit
	13:40-15:00	Interactive Case Presentation and Discussion, all Faculty
15:00- 17:00	Hands on Training: Ureteroscopy Stations	

April 3,2020

08:00-09:40	PCNL Planning & Approach	
	08:00-08:20	Role of Antibiotics in Endourology Dr.Teerayut Tangpaitoon
	08:20-08:50	PCNL Equipment and Devices: Scopes, Lithotripsy and Ancillary Devices Dr.Ekkarin Chotikawanich
	08:50-09:15	Technique of Ultrasound Guided Access Dr.Manint Usawachintachit
	09:15-09:40	Technique of Fluoroscopic Access Dr.John Denstedt
09:40-10:15	Break and Visit Exhibits	
	10:15-10:30	Mini vs Standard PCNL: Pros and Cons Dr.Zeng Guohuo
	10:30-10:40	Exit Strategies: Role of Tubeless vs Drainage Dr.Ekkarin Chotikawanich
	10:40-11:05	Complications of PCNL: Avoidance and Management Dr.John Denstedt
1015-12:15	Hands on PCNL Training	
12:15-12:25	Closing Remarks	

Program Thai Urological Association under the Royal Patronage

Friday April 3, 2020

08:50-09:20	Chairman: Dr.Sittiporn Srinualnad Co-chairman: Dr.Patranuch Noppakulsatit Samai Chanthawimol Lecture <i>Speaker:</i> Dr.Chaiyong Nualyong
Session 1: Thai Journal Urology, Public Relation <i>(Napalai B-C Room)</i> Chairman: Dr.Monthira Tanthanuch Co-chairman: Dr.Phitsanu Mahawong	
09:20-09:35	Why citation is important for journal? <i>Speaker:</i> Dr.Pokket Sirisreetreerux
09:35-09:40	The Thai Journal of Urology Best Paper Award
09:40-10:00	Benefits of social media for urological practice <i>Speaker:</i> Dr.Manint Usawachintachit, Dr.Varathorn Lumyai, Dr.Tanet Thaidumrong
10:00-10:10	Opening Remarks
10:10-10:30	Coffee Break
Session 2: Thai Continence Society, Men's Health (EN) <i>(Napalai B-C Room)</i> Chairman: Dr.Viroj Chittchang Co-chairman: Dr.Sonthidetch Sivilaikul	
10:30-10:45	Neurogenic detrusor overactivity <i>Speaker:</i> Dr.JJ Wyndaele
10:45-11:00	Neurogenic urinary incontinence <i>Speaker:</i> Dr.H Madersbacher
11:00-11:20	Practice guidelines in neurogenic bladder <i>Speaker:</i> Dr.JJ Wyndaele
11:20-11:40	Association between testosterone and prostate cancer <i>Speaker:</i> Dr.Ronny Tan
11:40-12:00	Beyond testosterone therapy: What's choice do we have? <i>Speaker:</i> Dr.Lee Vu Tan
Sponsor symposium	
12:00-12:30	

12:30–13:00		
Session 3: Kidney transplantation and one day surgery <i>(Napalai B-C Room)</i>		
Chairman: Dr.Vorapot Choonhaklai Co-chairman: Dr.Siros Jitpraphai		
13:00–13:20	One day surgery in Urology - University Hospital - Provincial Hospital <i>Speaker:</i> Dr.Wasana Khampiwmar Dr.Teerayut Tangpaitoon	
13:20–13:35	MPH updated policy and plan in Kidney transplant perspective <i>Speaker:</i> Dr.Somyote Srijaranai	
13:35–13:50	Role of urologist in Current kidney transplant situation <i>Speaker:</i> Dr.Adisorn Lumpaopong	
13:50–14:05	Kidney organ retrieval process (Technique and management) <i>Speaker:</i> Dr.Siwat Phuripyphan	
14:05–14:30	How to make a good actual deceased donor <i>Speaker:</i> Dr.Korntip Phonphok	
14:30–15:00	Coffee Break	
15:00–15.45	ประชุมสามัญประจำปี พ.ศ.2563	<i>(Napalai B-C Room)</i>
16:00–17:00	งานแสดงมุทิตาจิต	<i>(Dusit 1 Room)</i>

Thai Urological Nurse Society (Risk post operative complication) <i>(Dusit 3 Room)</i>	
Chairman:	
13:00–15:00	<i>Speaker:</i>

Andrology (EN)

(Dusit 4-5 Room)

Chairman: Dr.Kavirach Tantiwongse

Co-chairman: Dr.Premsant Sangkum

13:00–13:15	Update on the treatment of Erectile dysfunction <i>Speaker:</i> Dr.Ronny Tan
13:15–13:30	Role of platelet rich plasma in clinical practice <i>Speaker:</i> Dr.Niti Navanimitkul
13:30–13:45	New technique update on microscopic varicocelectomy <i>Speaker:</i> Dr.Varathorn Lumyai
13:45–14:00	Tips and tricks for microsurgical testicular sperm extraction <i>Speaker:</i> Dr.Lee Vu Tan
Chairman: Dr.Siwat Phuripyphan	
Co-Chairman: Dr.Wattanachai Ungiaroenwathana	
14:30–14:45	Penile Mondor's disease and penile calciphylaxis <i>Speaker:</i> Dr.Supanut Lumbiganon
14:45–15:10	How to establish a Men's health clinic in real life situation <i>Speaker:</i> Dr.Kampanart Pornyoskrai
15:10–15:20	Closing

Joint venture between Thai Continence Society & International Neuro-Urology Society

(Dusit 6-7 Room)

Chairman: Dr.Sonthidetch Sivilaikul

Co-chairman: Dr.Charuspong Dissaranan

13:00–13.30	Educational Video Series of INUS entitled: “Neuro-Urology in Daily Practice – Part 2: Clinical Examination” <i>Speaker:</i> Dr.H Madersbacher
13:30 – 13:50	Neurophysiologic testing with focus on sensory testing <i>Speaker:</i> Dr.JJ Wyndaele
13:50 - 14:10	Electrical neurostimulation and neuromodulation in neuro-urology – an update <i>Speaker:</i> Dr.H Madersbacher
14:10 – 14:30	Intermittent catheterization – an update on materials and techniques <i>Speaker:</i> Dr.JJ Wyndaele
14:30 – 14:50	Surgery in Neuro-Urology <i>Speaker:</i> Dr.H Madersbacher
14:50 – 15:00	Discussion

Saturday April 4, 2020

08:00–08:30	Phaitun Gojaseni Lecture (EN) <i>Chairman:</i> Dr.Wachira Kochakarn <i>Co-chairman:</i> Dr.Chalairat Suk-ouichai ACGME and urology training in USA: our special challenges <i>Speaker:</i> Dr.Steven C Campbell	(Napalai B-C Room)
Session 4: Upper tract tumor (EN) (Napalai B-C Room)		
<i>Chairman:</i> Dr.Chaiyong Nualyong <i>Co-chairman:</i> Dr.Kamol Panumatrassamee		
08:30–08:50	Case base review of AUA guidelines of localized renal mass <i>Speaker:</i> Dr.Steven C Campbell, Dr.Siros Jitpraphai <i>Moderator:</i> Dr.Chalairat Suk-ouichai	
08:50–09:05	Recent advances RCC (2016-2020): Ground breaking studies and take home points <i>Speaker:</i> Dr.Steven C Campbell	
09:05–09:20	Infiltrative renal masses: prevalence significance, fidelity of documentation <i>Speaker:</i> Dr.Steven C Campbell	
09:20–09:40	Current intravesical therapy in bladder cancer <i>Speaker:</i> Dr.Julin Opanuraks	
09:40–10:00	Treatment of Castrate-resistant prostate cancer (CRPC) <i>Speaker:</i> Dr.Choosak Pripatanont	
10:00–10:30	Coffee Break	
Session 5: Endourology (Napalai B-C Room)		
<i>Chairman:</i> Dr.Bannakij Lojanapiwat <i>Co-chairman:</i> Dr.Ekkarin Chotikawanich		
10:30–10:45	Super Mini PCNL: New way of successful treatment in urolithiasis <i>Speaker:</i> Dr.Zeng Guohua	
10:45–11:00	How to improve stone free following RIRS? <i>Speaker:</i> Dr.Zeng Guohua	
11:00–11:15	AUA Guidelines: Surgical Management of Renal and Ureteral Stones <i>Speaker:</i> Dr.John Denstedt	
11:15–11:30	Stones in Renal Anomalies <i>Speaker:</i> Dr.John Denstedt	
11:30–11:45	Stone Prevention: Is it Possible? <i>Speaker:</i> Dr.John Denstedt	

Sponsor symposium

12:00–12:30

12:30–13:00

Session 6: Interesting case discussion

(Napalai B-C Room)

Chairman: Dr.Kittinut Kijvikai

Co-chairman: Dr.Patkawat Ramart

10.30–16.00

(Dusit 3)

13.00–16.00

(Dusit 4-5)

13.00–16.00

(Dusit 6-7)

13:00–13:15

Prostate cancer: biopsy

Speaker: Dr.Nattapong Binsri

Chairman:

Dr.Norman

Ahmadmusa

Chairman:

Dr.Tawatchai

Taweemonkongsap

13:15–13:30

Endourology stone

Speaker: Dr.Teerayut Tangpaitoon

Co-Chairman

Dr.Wirat

Wiangsakunna

Co-Chairman

Dr.Wichien

Sirithanaphol

13:30–13:45

Endourology upper tract urothelial cancer biopsy or not biopsy

Speaker: Dr.Ekkarin Chotikawanich

13:45–14:00

How to overcome pediatric daytime wetting in 7 minutes?

Speaker: Dr.Wit Viseshsindh

Free Paper

Free Paper

Faculty

VDO Contest

14:00–14:15

Trauma

Speaker: Dr.Tri Hanprasertpong

Resident

(EN)

14:15–14:30

Thai Continence Society

Speaker: Dr.Valeerat Swatesutipun
Dr.Vittaya Jiraanankul

(EN)

14:30–15:00

Coffee Break

18:00–20:00

Presidential Dinner

Sunday April 5, 2020

Session 7: Visual base-surgical technique in Urology (1)

(Napalai B-C Room)

Chairman: Dr.Apirak Santingamkun

Co-chairman: Dr.Chavalit Honglertsakul

08:30-08:45	Nerve sparing technique in Robotic assisted laparoscopic Radical prostatectomy <i>Speaker:</i> Dr.Kamol Panumatrassamee
08:45- 09:00	Open radical cystectomy: pure energy sealing for pedicle control <i>Speaker:</i> Dr.Satit Siriboonrid
09:00- 09:15	Laparoscopic radical cystectomy with intracorporeal neobladder <i>Speaker:</i> Dr.Tanan Bejrananda
09:15-09:30	Robotic radical cystectomy with intracorporeal neobladder <i>Speaker:</i> Dr.Varat Woranisarakul
09:30- 09:45	Key to success in Transurethral Anatomical Enucleation of Prostate (TUAEP) <i>Speaker:</i> Dr.Tanet Thaidumrong
09:45 – 10:00	Holep <i>Speaker:</i> Dr.Kittipong Phinthusophon
10:00 – 10:30	Coffee Break

Session 8: Visual base-surgical technique in Urology (2)

(Napalai B-C Room)

Chairman: Dr.Supon Sriplakich

Co-chairman: Dr.Satit Siriboonrid

10:30 – 10:45	Laparoscopic partial nephrectomy by enucleation technique <i>Speaker:</i> Dr.Dollacha Vanichakarn
10:45 – 11:00	RIRS in staghorn renal calculi <i>Speaker:</i> Dr.Ekkarin Chotikawanich
11:00 – 11:15	Endoscopic Combined Intrarenal Surgery (ECIRS) step by step <i>Speaker:</i> Dr.Chinnakhet Ketsuwan
11:15 – 11:30	Single Incision Penoscrotal (SIP) Orchidopexy: one for all <i>Speaker:</i> Dr.Phitsanu Mahawong
11:30 – 11:45	Laparoscopic Burch colposuspension <i>Speaker:</i> Dr.Sonthidetch Sivilaikul
11:45 – 12:00	Management complications after radical prostatectomy <i>Speaker:</i> Dr.Patkawat Ramart

Sponsor symposium

12:10 – 12:35

12:35 – 13:00

Session 9: Thai Society for Pediatric Urology and Residents

(Dusit 4-5 Room)

Chairman: Dr.Sumate Pataravorathum

Co-chairman: Dr.Nattapong Wongwattanasatien

Minimalist in pediatric urology: when less is more

13:00 – 13:15

Optimal evaluation in pediatric urolithiasis

Speaker: Dr.Manint Usawachintachit

13:15 – 13:30

MIS for kidney stones in children

Speaker: Dr.Kittipong Phinthusophon

13:30 – 13:45

Mini incision open pyeloplasty

Speaker: Dr.Jaraspong Vuthiwong

13:45 – 14:00

Endoscopic management of POM

Speaker: Dr.Sarayut Kanjanatarayon

14:00 – 14:30

Coffee Break

14:30 – 14:45

Laparoscopic ureteral clipping

Speaker: Dr. Pokket Sirisreetreerux

14:45 – 15:00

Laparoscopic bladder augmentation

Speaker: Dr. Worapat Attawettayanon

15:00 – 17:00

The 8th Resident Contest

Moderators:

18.30 - 21.00

Dinner

(Napalai B-C Room)
